Reasons for Allowance

1. Claims 1-4, 6-17, 19-35, 37-53, and 56-68 are allowed.

2. The following is an examiner's statement of reasons for allowance:

Applicant's arguments presented on pages 23-25 of Applicant's response filed April 5, 2007 are deemed to be persuasive. While the limitations addressed by Applicant in the arguments and the recitation of permitting the user to view the formula through the interface are each individually old and well-known in the art, the combination of all of these features in one unified system/method is unobvious.

Therefore, claims 1-4, 6-17, 19-35, 37-53, and 56-68 are deemed to be allowable over the prior art of record (including CGSDI's Dashboard of Sustainability, Young, Dias, Twigge-Molecey, Ness '905, Ness'240, Crosby, and Ichihari, which all discuss aspects of sustainability ratings and/or rankings, as well as Dainoff, which displays a formula).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
